

Pan-European Employee Benefit offering

Territory

Austria
Belgium
Denmark
Finland
France
Germany
Ireland
Italy
Luxembourg
Netherlands
Norway
Portugal
Spain
Sweden
United Kingdom

Purpose

In order to keep up with today's dynamic and more demanding global environment, Alico Corporate Solutions has designed a product suite to fulfill the employee benefit needs of companies operating in Europe [European Union (EU); European Economic Area (EEA)].

Under European legislation, Alico Corporate Solutions offers a comprehensive package of Pan-European Group Life and Accidental Death as a rider to the life product for corporations employing personnel in countries across the EU and EEA.

Advantages

- Sole underwriter
- Single policy for employees in Europe
- OneStep can replicate existing local benefits structures for each country under one policy
- Ability to harmonize renewal dates and benefits structure of existing local contracts
- Pan-European client-focused team servicing local time zone and five core languages: English, French, German, Italian and Spanish
- FoS Pan-European Employee Benefit offering can be provided as a stand alone basis or as part of a captive or pooling solution
- Timely provision of scheme management information

The Power of One:
One Company | One Policy | One Contact
